- Hello, friends! We flew to Abu Dhabi.
- Da, srazu vidno, tshto priiekhali my v Abu-Dabi. Vot - pojaluysta - zolotoy vierbliud.
- Yes, it's clear that we arrived in Abu Dhabi, it's a golden camel.

Kstati, imienno vierbliud u miestnykh stshitaietsia simvolom blagopolutshiia.
By the way, locals consider the camel to be a symbol of well-being.

- Intieriesno togda simvolom tshiego u miestnykh iavliaietsia fierrari, Alina?
- It's interesting, and what does Ferrari symbolize for locals, Alina?
- A ia tiebie tshieriez dva dnia vsie rasskaju.

- You're insistent.

[00:48,0]

- Jaъ, tshto v nashiey pieriedatshie nastoytshivost' nitshiego nie rieshaet. Vsie voliey slutshaia. Oriel!

It's a pity that insistence doesn't mean anything in our show. All by chance.
Head.

- Rieshka!
- Tail.

[01:07,9]

- Ia jie govoriu, tshto tshieriez dva dnia ia tiebie vsio-vsio-vsio rasskaju! Jalko, tshto nie niem uiekhats' niel'zia.

I say that I'll tell you everything in two days. It's a pity that you can't go on it.

- A mnie spieshit' niekuda.
- Dien'gi - suieta, a istinnaia mudrost' prikhodit v spokoystviie.
- And I have nowhere to hurry. Money is a vanity, true wisdom comes in peace.

Gorod-skazka, gorod-miraj, gorod-mietshta.

Gorod Abu-Dabi.

The city of tale. The city of mirage. The city of dreams. The city of Abu Dhabi.

[02:09,1]

V Abu-Dabi ia rieshila nie vydeliat'sia, budu kak vsie iezdit' na otshien' krutoy tatshkie.

In Abu Dhabi, I decided to follow the crowd, I will ride a very neat car like everyone else.

Liegiendarnyy Nissan Dje Ti Er - Blek Edishn.

The legendary Nissan GT-R Black Edition.

Один из самых быстрых суперкаров в мире!

One of the fastest supercars in the world.

В комплекті з этою нереальною татшкoy - литшныы водителъ, Akhmiet i iego piernatyы sputnik - sokol Sendi.

The personal driver Ahmet and his faithful companion falcon Sandy are added to this unreal car.

Da, riebiata, мы в Abu-Dabi, a здiesъ pontы - dorojie dienieg!

Yes, guys, we are in Abu Dhabi, and show off is more precious than money.

Tshtoby sekonomitъ na proiezdie ia rieshil vziatъ proiezdnoy.

Kupitъ takoy mojno v spietsialъnom avtomatie priamo v zdanii aeroporta.

In order to leave the airport I need a ticket for all the buses.

[03:06,9]

Taksi - eto nie dla mienia viedъ mienia jdiet limuzin.

Taxi is not for me, because a limousine is waiting for me.

Вытянутыы кузов, moshtshныы motor i prostornyы salon. Vau. Ia eto zaslužil!

An elongated body, powerful engine and spacious interior, wow. I deserve it.

[03:39,5]

Nissan Dje Ti Er Blek Edishn - eto liubovъ s piervogo vzgliada.

Nissan GT-R Black Edition is love at first sight.

A liubitъ etu mashinku dieystvitelъno iestъ za tshto:

V6 dvijok, obъiem 3,8 litra i 540 loshadiey pod kapotom!

And it deserves love: v6 turbo twin engine, capacity - 3.8 L, 540 horses under the hood.

Nu i glavnyы kozыrъ moiego superkara razgon do sotni za 3,8 siekundy eto kak 1,2, gou!

And the main trump card of my supercar is acceleration to 100 km in 2.8 seconds. Just one, two, go.

[04:25,1]

Avtobus praktitshieski pustoy, a vsie potshiemu? A vsie potomu tshto miestnyie jiteli na avtobusakh nie iezdiat.

The bus is almost empty. And why? Because the locals don't go by buses.

Da i v printsipie bolъshinstvo turistov, kotoryie priiezjaiut siuda, oni v sostoianii oplatitъ siebie taksi.

And most of the tourists are able to pay a taxi.

To iestъ turisti u kotorykh 100 baksov na dva dnia, vot kak u mienia, oni v Dubay lietiat.

Tourists who have a hundred bucks for two days, like me, fly to Dubai,

A do Abu-Dabi dobiraiutsia tolъko izbrannyie.

and only the select few get to Abu Dhabi.

Nu tshto j, prishlo vriemia rasskazatъ pro Abu-Dabi podrobnieie.

Well, it's time to tell more about Abu Dhabi.

Druzъia, vy tolъko predstavъtie siebie, po ploshtshadi emirat Abu-Dabi zanimaet praktitshieski 80 protsientov vsiey strany.

Friends, just imagine that the Emirate of Abu Dhabi occupies almost 80% of the entire country.

[05:00,6]

Abu-Dabi stshitaietsia odnim iz samykh jarkikh gorodov mira.

Zdiesь tiempieratura mojiет dostigatь 50 gradusov.

Abu Dhabi is considered to be one of the hottest cities in the world, here the temperature can reach 50 degrees.

Abu-Dabi stshitaietsia odnim iz samykh biezopasnykh gorodov v mirie.

Zdiesь praktitshieski niet priestupnosti.

Abu Dhabi is one of the safest cities in the world, there is practically no crime here,

Ona poiavliaietsia toьko kogda nashi oligarkhi priiezjaiut otдыkhatь.

[stshitaiet]

V gorodie vysajieno 40000 Finikovыkh palьm.

the danger appears only when our oligarchs come. 40,000 date palms have been planted in the city. 40,001.

40 tysiatsh odna. 40 tysiatsh dvie...

40,002.

Riebiata, ostanovitiesь. Oni prosto vysajivaiut postoianno, ia stshitaiu.

Poka ты dostshitaiesь ujie boьshie ikh stanovitsia.

They plant them all the time.

V Abu-Dabi nastoьko vysokiy uroviень blagopolutshiia u miestnykh,

Abu Dhabi has such a high level of well-being among the locals that they can afford to drop the cap on the road

[05:36,3]

tshto oni mogut siebie pozvolitь vot tak uronitь kiepku na dorie i nie vozvrashtshatьsia za niey.

and forget about it. In Thailand, the dude dropped the cap from the moped,

Potomu tshto v Tailandie ia vidiel tshuvak uronil kiepku s mopieda - on tshieriez dvie sploshnyie razvoratshivalsia, protiv dvijeniia iekhal, tshtoby ieie podobratь.

Srazu vidno VVP na dushu nasielieniia.

he turned around in two full-lines and went against the movement to pick it up. GDP is obvious.

V kajdom gorodie iestь rayon podieshievlie ili tam blagopolutshny-nieblagopolutshny.

There is a cheaper area or prosperous and not prosperous districts in each city.

V Abu-Dabi takogo niet - tut vse vokrug eto sploshnoy elitnyy rayon.

There is no such thing in Abu Dhabi, everything is a continuous elite area here.

Slojno predstavitь, no vsiego sto liet nazad zdiesь nie bylo nitshiego, kromie pieska i nieskoьkikh jalkikh rybatskikh latshug.

It is difficult to imagine, but only a hundred years ago there was nothing here except sand and a few shacks.

A siegodnia, prosto iz nitshiego... poiavilsia gorod budushtshiego!

Kakaia krasota!

Kosmitshieskiy pieyzaj!

Today, the city of the future has appeared. What a beauty, cosmic landscape!

[06:31,5]

I eto pri tom, tshto kajdy gvozdik, kirpitsnik i dajie palьmovoie ziernыshko

And every nail, brick, and even a palm seed were delivered to Abu Dhabi

были доставлены в Abu-Dabi за tysiatshi kilometrov otsiuda.

Spierva moьno podumatь, tshto eto koldovstvo kakogo-nibudь djina iz lampy,

from thousands of kilometers away. At first you might think that this is the sorcery of some gin from the lamp,

No na dielie, vsie gorazdo proshtshie...Poiavit'sia etomu vsiemu pomogla nieFt'. Kotorai i stala dlia miestnykh "zolotom pustyn'".

but in fact, everything is much simpler. Oil helped to do this.

Kajietsia, tshto sieytshas budut kakiie-to lietat' vokrug etikh domov, znaietie, vozdushnyie kar'y.

It seems that air car may fly around these buildings.

Abu-Dabi i vpravdu pokhoj na miraj v pustynie...miraj iz stiekla...mietalla...i bietona.

Abu Dhabi really looks like a mirage in the desert, a mirage of glass, metal and concrete.

A iego Futuristitshieskiie zdaniia i iest' glavnymi dostoprimietshatielnostiami goroda.

And its futuristic buildings are the main attractions of the city.

[07:23,8]

Eto nieboskrieb Al'dar-taver. Vy posmotritie kakoie soviershienstvo, kakoy Fen-shuy, kakaia gieometriia.

This is the Aldar Tower, look at this geometry. This is a circle made up of triangles.

Krug, sostoiashtshiy iz triugol'nikov.

Triugol'nik, kak samaia ustoytshivaia Figura, krug kak samaia podvijnaia. Takaia FilosoFiia zalojena.

The triangle, as the most stable figure, and the circle - as the most mobile. What a philosophy!

Ladno, mnie ieshtshie nujno mnogo vsiego posmotriet' i mnogo vsiego vam pokazat'. Poetomu ia, podobno etomu nieboskriobu, budu zakrugliat'sia.

Ok, I still have a lot to see and a lot to show you. So, it's time to wrap it up.

Ieshtshie odno arkhitekturnoe tshudo - bashni Al-Bakhar. Ili, kak ikh nazyvaiut turisty - bashni-ananasy.

Another architectural miracle is the Al Bahar Towers. The tourists call them pineapple towers.

Druz'ya, posmotritie vot eti vot tshieshuyki, oni mieniaiut svoje polojieniie, kombinatsiiu v zavisimosti ot polojieniia Solntsa.

Here are these scales, they change their position and combination depending on the position of the sun.

To iest' oni obiespietshivaiut tien' v samykh prosvietshivaiemykh miestakh.

Oni obiespietshivaiut priiatnuii prokhladu tam,

They make shade in the most luminous places and make pleasant coolness where

[08:08,4]

gdie solntsie natshinaiet razogrievat' oFisnyy vozdukh do nievozmojnykh tiempieratur. the sun begins to warm the office air. This is a brilliant decision.

Eto gienial'noie rieshieniie!

Kstati, v 2013 godu eti nieboskrioby polutshili priemiiu kak lutshshiy nieboskrieb goda.

By the way, in 2012, these skyscrapers were awarded as the best skyscrapers of the year.

A vot ieshtshie odna dostoprimietshatielnost'.

Druz'ya, eto otel' iaz, v tshiem iego unikal'nost'?

And here is another attraction. Friends, this is the Yas Hotel. What is its uniqueness?

Nu, vo-piervykh, vy i vnieshnie viditie, tshto eto nie sovsiem obyitshnyy otel'ytshik.

Vo-vtorykh, on postroien priamo nad trassoy Formuly-1.

Well, first of all, you can see that this is not an ordinary hotel. Secondly, it is built directly above the F-1 track.

Priedstavliaietie, mojno iesli pravil'no nomier zabronirovat', mojno biesplatno nabliudat' gonki.

It means that if you accidentally booked a room, you can watch races for free.

Iz-pod oblakov vsie eti nieboskrieby smotriat na diesiatikilomietrovuiu gorodskuiu naberiejniuu.

All these skyscrapers look at the 10 km city embankment.

[08:52,9]

Abu-Dabi - gorod tshudies. Vot tak vot idiesh' po naberiejnoj i opa - aviashou.

Abu Dhabi is a city of miracles. You walk like this along the embankment and there is the air show.

[09:07,9]

Smotri, tshto vytvoraiut.

Look what's up. Wow. What is the pilot's concentration?

Nitshiego siebie! Eto kakaia tam kontsientratsiia u pilota, da. Posmotri, tshto on dielaet mirtvuii pietliu,

vozashtshaietsia, ieshtshie poslie etogo mojiet rulit' miejdu etimi Fishkami.

He makes a loop-the-loop, comes back and after that he can steer between these markers.

Gienial'ny! Kakoy klass voobshtshie! Kak krasivo, kak iziashtshno!

Brilliant! How beautiful, how elegant.

No podobnyie supiershou razvliekaiut miestnykh tshut' li nie kajdyi dien'.

Poetomu gorozhanie ujie davno im nie udivliaiutsia.

But these supershows entertain locals almost every day. Therefore, the city people aren't surprised.

Liudiam skutshno v tielieFonakh sidiat, kak-to otvliekaiutsia.

People are bored, they look at their phones and distracted.

Kak-to ujie ujie niet togo ajiotaja, adrienalina,

kotoryie vyzivali eti takiie vot poliety na samolietakh bukval'no 75 liet nazad, vy pomnitie.

There is no longer that rush and adrenaline caused by such flights 75 years ago, you remember...

[09:52,5]

Ujie nie to pokolieniiie, nie to, konietshno.

A generation has changed.

NieFt' portit liudiey. Tshto tut ieshtshie skazat'.

Oil spoils people. What can I say?

No nie tol'ko ona pomogla Abu-Dabi prievratit'sia v gorod budushtshiego.

Not only oil helped to make the city of the future.

Eto slutshilos' ieshtshie i blagodaria piervomu priezidentu ob'iediniennykh arabskikh emirator - shieykhu Zaidu.

This happened thanks to the first President of the United Arab Emirates, Sheikh Zayed.

Imienno etot tshieloviek pridat gorodu takoy nieobytshtshny oblik.

Poetomu miestnyie tshtiat pamiat' etogo tshielovieka i po siey dien'.

He created such an unusual look of the city. So, local people honor the memory of this person to this day.

Shieykh Zaid - eto samyy vajnyy tshieloviek v Abu-Dabi.

Sheikh Zayed is the most important person in Abu Dhabi.

[10:33,5]

Viditie, iesli by parnia slovili na ulitsie prosto risuiushtshiego kakoie-to abstraktnoie graFFiti,

iego navierniaka by oshtraFovali by, nakazali by, posadili v tiurьmu.

If the guy draws some abstract graffiti on the street, he would be caught, punished and imprisoned,

No tak kak on risuiet shieykha Zaida, iego nikto nie troniet.

but since he draws Sheikh Zayed, nobody will touch him.

Pompieznye zdaniia i raFosnye shou - eto, konietshno, khorosho. No, my jie morskoy siezon.

Tak tshto v piervuiu otshieriedь - na pliaj!

Pompous buildings and pretentious shows are good. But we have the Sea Season. So first of all - to the beach.

V Abu-Dabi iestь raznye pliaji: iestь platnye, a iestь bieplatnye.

Here are different beaches in Abu Dhabi paid and free.

Ia, konietshno jie, vybral siebie bieplatny pliaj.

No eto nie oznatshaiet, tshto inspiektor pliaj sdielaiet iemu khotь kakuiu-to skidku. Niet.

Of course, I chose a free beach but this doesn't mean that the Beach Inspector will give a pass.

Pliaj, kotoryy ia budu inspektirovatь, nazывaietsia Kornish. Posmotrim, tshiem jie on primietshatielen.

The beach, which I will inspect, is called Cornish. Well, let's look at this.

[11:17,7]

Itak, inFrastruktura. Vy posmotritie tam dietskaia ploshtshadka na sushie, dietskaia ploshtshadka v vodie.

So, infrastructure. Look, there is a playground on land and a playground in the water.

Dierievo, kotoroie ot solnietshnykh bateriey zariajaet vash tielieFon.

A tree that charges your phones with solar panels. When we talk about Abu Dhabi,

Kogda my govorim ob Abu-Dabi vy doljny pomnitь, tshto Abu-Dabi - eto sploshnaia inFrastruktura.

we need to remember that Abu Dhabi is a total infrastructure.

Voda prozratshnaia i kholodnaia.

The water is clear and cold.

Piesok. Nu piesok, kak piesok.

Nielьzia skazatь, tshto piesok, kak snieg ili piesok, kak shiolk. Piesok, kak piesok.

Sand. Well, sand is like sand. You can't say that sand is like snow or like silk. Sand like sand, ordinary sand.

Obytshnyy piesok. Na takom mojno i na solnyshkie poliejatь, i tsiemient zamieshatь. Dlia stroiashtshiegosia goroda eto otshienь vajno.

You can lie down in the sun and mix cement. It's very important for a city under construction.

[12:07,7]

Elьmir, piesok zakontshien. Sieytshas na pliaj sgoniaiu!

So, Elmir, the sand is over. I drive to the beach.

Plotnostь posietiteliy pliaja. Znaietie, liudiey niemnogo.

The density of visitors of the beach. You know, not a lot of people. And this is good.

Eto khorosho. Vy znaietie o tshiom eto govorit?

Eto govorit o tom, tshto poka tshto u liudiey v Abu-Dabi dienьgi iestь.

Because you know what does it mean? People in Abu Dhabi have money.

[12:33,5]

Samoie vriemia rasskazat' vam, zatshiem ia vziala siebie v sputniki - sokola.

It's time to tell you why I took a falcon companion.

Abu-Dabi - stolitsa millionierov, poetomu i razvlietshieniia zdies' nu otshien' dorogiie.

Abu Dhabi is the capital of millionaires, so the entertainment here is very expensive.

Oдно iz takikh - sokolinaia okhota.

One of these is the falconry.

Kogda vam kto-to govorit, tshto "a moy syn liubit ptitshiek",

nie spieshitie dielat' vyvody, tshto on botan-ptitsieliub.

When someone tells you that "My son loves birds," don't rush to conclude that he is a nurd.

Vozmojno, on po vykhodnym bieriet krutuiu tatshku, vyiezjaet v pustyniu, zapuskaiet sokolov.

Perhaps, he takes a cool car on weekends, drives out into the desert and launches falcons.

Shieykhi spuskaiut na eto khobbi sumasshiedshiie dien'gi!

Sheikhs spend crazy money for this hobby.

[13:06,8]

Porody sokolov otshien' raznoobrazny i ekvivalent tsieny

startuiet ot nieskol'kikh tysiatsh dollarov do polumilliona.

Falcon breeds are very diverse and the equivalent price starts from a few thousand dollars to half a million.

Ты dorogaia tsiepotshka!

You're an expensive chick.

Kromie toho, ptitsam nujno spietsial'noie obmundirovaniie.

K primieru, vot takiie shapotshki, kotoryie nazyvaiutsia klobutshki.

In addition, birds need special outfit. For example, such hats that are called klobouks.

Oni nujny dlia toho, tshtoby ptitsy nie brosalis' drug na druga.

The birds don't attack each other wearing them. The price of this accessory is at least 100 bucks!

Tsiena takogo aksiessuara -- minimum sto baksov! No, i eto ieshtshie nie vsie.

But that's not all.

Na kajdogo sokola tsiepliaiut gps navigator, kotoryy stoit ieshtshie dvie sotni dollarov.

A GPS navigator is attached to each. It costs another 200 \$.

[13:42,3]

Na tot slutshay, iesli on dalieko ulietit ili potieriaietsia iego vsiegda mojno budiet nayti.

If the falcon flies far away or gets lost, it can always be found.

Dajie mienia tak iskat' nie budut. Prosto viedushtshuii pomieniaiut. U nas ikh voobshtshie tshasto mieniaiut.

Nado dierjatsia.

Nobody won't search me like that, they just change the presenter. I should be strong!

Kromie toho, vriemia ot vriemieni, ptits надо vodit' na miedosmotr i sledit' za ikh zdorov'iem.

Dlia etogo zdies' iest' spietsial'nyie gospitali!

Birds need to be taken for a medical examination and to monitor their health. There are special hospitals.

Tam im podstrigaiut kogti,

tshistiat kliuv,

dielaiut zondirovaniie jieludka,

i dalje priklievaiut potieriannyye pieryshki!

There they cut their claws, clean their beaks, sound the stomach, and even stick lost feathers.

Kajdy takoy vizit k miedikam obkhoditsia v nieskol'ko tysiatsh dollarov!

A ieshtshie sokolov nieobkhodimo postoianno trienirovat'.

Each visit to the doctors costs several thousand dollars. And falcons need for constant training.

Proiskhodit eto tak: bierut jivogo golubia,

priviazvaiut iego k kvadrokoptieru, otpravliaiut v vozdukh

i vypuskaiut sokola.

It happens like this: they take a live pigeon, tie it to a quadrocopter, launch it into the air and release a falcon.

[14:43,0]

Mnie kajietsia, eto otshien' jiestoko. Otshien'.

I think this is very cruel.

[14:56,6]

Oy, golub'-to jiv, jiv, no na niem krov', no on jiv.

Oh, the pigeon is alive! There is blood on it, but it is alive.

Poka tshto v etoy trienirovki ni odnogo golubia i ni odnoy viedushtshiey nie postradalo.

Vot takoe vot razvlietshieniie u bogatykh liudiey.

No pigeon or presenter has been hurt in this training. Here is the entertainment of rich people.

Druz'ia, sieytshas my otpravimsia v Luvr.

Da v Luvr, v Luvr v Abu-Dabi, vsie, vsie v poriadkie vieshtshiey.

Friends, now we go to the Louvre in Abu Dhabi. Everything is in order.

Pri tshiom Luvr nie ot baldy nazvali. Oni zaplatili za eto piat'sot dvadtsat' piat' millionov dollarov.

The Abudhabites called this the Louvre for a reason, they paid \$ 525 million for this.

Eto samaia dorogaia Franshiza, kotoruiu ia vidiel.

This is the most expensive franchise I have ever seen.

Luvr v Abu-Dabi vpietshatliaiet priamo s poroga.

Zdaniie vypolnieno v vidie ogromnogo stal'nogo dierieva,

Abu Dhabi Louvre is impressive at a glance. The building is made in the form of a huge steel tree,

[15:47,2]

krona kotorogo upiraietsia v poluprozratshnyy kupol.

A postroiена vsia eta krasota priamo na vodie.

the crown of which rests on a translucent dome. And all this beauty is built directly on the water.

Kromie obaldiennogo zdaniia i imieni,

In addition to the awesome building and the name, Arab sheikhs rented cultural property

arabskie shieykhi ariendovali kul'turnyye tsiennosti u lutshshikh muzieiev mira.

from the best museums in the world.

[16:16,1]

Vot, k primieru, skul'ptura "Orator", rodом iz Rimskoy impierii.

Here, for example, the "Orator" sculpture from the Roman Empire.

Viditie, zdiess napisano "Rukami nie trogatъ". Pri tshiom eto nie kommientariy, eto nazvaniie eksponata.

Viditie "Rukami nie trogatъ".

"Hands off!" and this is not a comment, this is the title of the exhibit. Hands off.

A zdiess -- khristianskaia rielikviia s tshastitsiey togo samego jivotvoriashtshiego kriesta, na ktorom raspiali Iisusa.

And here - a Christian relic with a particle of the very life-giving cross, on which Jesus was crucified.

Obaldietъ! 1275-go goda. Nu libo eto tsiena v dollarakh.

No ia skloniaiusъ k piervomu variantu.

Otshienъ krutoy eksponat.

Awesome, 1275, well, either this is the price in dollars. But I tend to the year. Very cool exhibits.

I nakoniets samyy tsiennyy eksponat miestnogo Luvra - "Priekrasnaia fierronъiera".

And finally, the main exhibit of the Abu Dhabi - "La belle ferrenniere".

Viditie, kak blizko ko mnie okhrannik stoit? Znaetie potshiemu?

Can you see the guard? Do you know why? Because this is a Da Vinci's masterpiece,

[17:05,4]

Potomu tshto eto kartina Da Vintshi a ia - podozritielъnyy tip.

and I'm a suspicious person with a backpack hanging around the Louvre here,

S riukzakom shliaiusъ po Luvru, dumaet kartinu khotshiet prikhvatitъ i sbiejatъ.

maybe I want to grab the picture and run away.

frantsuzy, kstati, otshienъ protiestovali protiv tridtsatilietniego otpuska etoy kartiny v Abu-Dabi.

The French strongly protested against the thirty-year holiday of this painting in Abu Dhabi.

No u shieykhov khvatilo dienieg i argumentov, tshtoby ikh pierieubieditъ.

But the sheikhs had enough money and arguments to convince them.

Ia dajie nie znaiu tshto bolъshie vpietshatliaiet - eksponaty predstavliennyye zdiessъ,

I don't even know what is more impressive - the exhibits presented here,

ili to, tshto na sozdaniie etogo Luvra Abu-Dabi potratili bolieie polutora milliardov dollarov.

or the fact that more than half a billion dollars was spent on the creation of this Louvre in Abu Dhabi.

[17:52,9]

Ia rieshila smienitъ svoiu paFosnuu tatshku na parom, tshtoby otpravitъsia na niem k ostrovu Sir-Bani-Ias -

I decided to change my pretentious car to the ferry to go on it to the island of Sir Bani Yas -

izliubliennomu miestu otдыkha zdieshnikh shieykhov.

the favorite vacation place of the local sheikhs.

Тысятshielietiami jitieliey Abu-Dabi skitalisъ posriedi biezjizniennoy pustyni.

For thousands of years, the Abudhabites lived in the midst of a lifeless desert,

Poetomu, razbogatiev, oni rieshili sdelatъ siebie zapoviednik dikoy prirody, ravnykh ktoromu niet vo vsiem mirie.

therefore, becoming rich, they decided to make a unique wildlife reserve.

Priedstavъtie, tshto vsiego kakikh-to 50 liet nazad, na ostrovie Sir Bani Ias nie bylo nitshiego, kromie pieska i vierbliuыikh koliutshiek!

Imagine that just 50 years ago, there was nothing but sand and camel thorn on the island of Sir-Bani Yas.

A siegodnia -- raskinulsia gigantskiy zapoviednik.

And today - there is a giant reserve.

[18:40,4]

Kajdoie iz etikh dierievnyev bylo priviezieno siuda iz aFrikanskoj savanny i vysajieno...vrutshnuiu!

Each of these trees was brought here from the African savanna and planted by hand.

Ikh kruglosutotshno polivaiut priesnoy vodoy i ukhajivaiut, lutshshie, tshiem za muzieynymi eksponatami.

They are watered with fresh water around the clock and looked after better than the museum exhibits.

Takjie, na ostrovie postroili nieskol'ko otieliey dlia izbrannykh. V odnom iz takikh ia i ustanovliusz.

Several hotels for the elite were built on the island. I'll stay in one of them.

[19:13,7]

Pora by vo dvoriets!

It's time to go to the palace.

[19:26,6]

Nu rasskazyvaytie kak u vas tut na ostrovie diela. Govoriat jarishtshie, da?

Well, tell me, how are you doing? It's hot. But this is better than snow, we have such winters, I will tell you.

A golf cart goes to a private villa and this is a great opportunity to see the residents of the reserve.

Posmotri, nalievo poviernisz, nalievo - bystrieie!

Look, turn left!

[19:56,8]

Gusi idut, gusi! Klass!

Vo mnie prosypaietsia Belosniejka. Vy ponimaetie tshto dlia mienia znatshit?

After a few dozen animals, I finally arrived at my mini villa.

Ia ojidalu uvidiet' drugoie. Nu poydiem posmotrim tshto tam vnutri.

I was expecting to see something else, well, let's go and see what is inside.

[20:44,2]

Milyy takoy domik.

A nice house.

Vsie eti dietal'ki.

Takoe vpietshatlienii, tshto ia priekhala k babushkie. Nu, k takoy zajitotshnoy, arabskoy babushkie.

All these elements. It seems that I came to my grandmother, to a rich Arab grandmother.

Gusi. Vielkam.

Vot eto vot - polnyy Fen-shuy. Radi etogo vsie i platiat bol'shiie dien'gi. Vid shikarnyy. Geese. Oh, here it is, this is a full feng shui, and people pay a lot of money for this. The look is chic.

Oy, nu nravitsia mnie takoe autientitshnoie, prostoie, no eto ieshtshie nie vsie. I like it, everything is authentic, but that's not all.

Zal, gostinaia.

A hall-lounge.

Ieshtshie odna spal'nia. Vot kajdy raz, znaietie, kak srывaet.

Ponimaiu, tshto mnie-to tshto nujno? Odn krovat', odn vannai, no vsie vriemia po polnoy guliai.

Another bedroom. I do this again and again, I understand that I need. One bed, one bathroom, but I take maximum.

[21:45,0]

Khotia, s drugoy storony..

So, on the other hand, I can afford two and three bedrooms.

Mojno siebie pozvolit' i 2 i 3 spal'ni malo li kak uikiend proydiet. Mojiet, druz'ia poiaviatsia - nie znaiu.

You never know, how the weekend goes, friends can appear.

S shieykhami poznamomliu's', tak by v gosti priglasila.

I may get acquainted with the sheikhs, so I would invite them.

[22:04,8]

Sieytshas, dievtshonki, vy mojietie poyti na kukhniu poka sdielat' butierbrody tam tshto-nibud'..

Now, girls, you can go to the kitchen to make sandwiches, some female things, nails,

Kakiie-to jienskiie.. nogti mojiet byt' sdielat', potomu tshto sieytshas budiet tshisto mujskoy siujiet.

because now there will be a purely male story.

Patsany, to kuda ia priekhal - eto miega ekskliuziv.

Guys, I arrived in a mega exclusive, this is a personal collection of Sheikh Zayed's son's cars,

Eto litshnaia kolleksiia avtomobiliey сына shieykha Zaida. Zdies' okolo 170 tatshiek. Poshli otorviemsia!

there are about 170 cars. Let's go for fun.

[22:30,6]

Gosudarstviennyy avtomobil'nyy muziey emirator -

eto odna iz samykh tsiennykh kollektсий riedkikh i raritetnykh avtomobiliev vo vsiem mirie.

The State Automobile Museum is one of the most valuable collections of rare cars in the world.

Eto - avtomobil'. Eto piervoe shokiruiushtshieie dlia vas izvestiie.

1885 goda vy predstavliaietie siebie eto??

Is this car? This is the first shocking news for you. 1885, do you imagine?

Eto odin iz piervykh avtomobiliev, sozdannykh tshieloviekom. Dal'shie krutshie.

This is one of the first cars created by man. Next - cooler.

Vau! Miersiedies s l 280.

Vot eto avtomobil' na kotorom by ia otsiuda uiekhali. Ot siel by za rul' i poiekhal by priamo na svoiu kazn'.

Wow, Mercedes SL 280, this is the car on which I would leave here. I would have gone straight to my execution.

No i na etom siurprizy nie zakantshivaiutsia.

Vpieriedi mienia jdal ogromnyy dodj-monstr.

But there are more the surprises here, it's a huge Dodge Monster.

Eto prosto tatshka dlia prokatshki empatii. Potshuvstvuy siebia gryzunom, vybiejavshim na trassu.

Zatshiem eto nujno?

This is a car for improving empathy, I feel like a rodent running on the track. Why do you need it?

[23:29,7]

I tshiem dol'shie ty khodish' po etomu muzieiu, tiem sil'nieie udivliaiesh'sia.

The longer you walk through this museum, the more you wonder.

Ta ia dajie nie znaiu, u mienia stol'ko mysliev.

Ia pomniu kak ia v dietstvie kollektcioniroval modeli'ki avtomobiliev malien'kim .

I have so many thoughts. I collected small models of cars in my childhood.

Vot ia tratil vsie svoi karmannyye dien'gi na eti modeli'ki i znaietie skol'ko u mienia ikh bylo?

7!

I spent all my pocket money for these models. Do you know how many I had? Seven.

Slushaytie, v etom muzieie kromie mienia niet nikogo.

There is no one in this museum except me, I walked around the whole museum and didn't meet anyone.

Ia oboshiel vies' muziev i nikogo nie vstrietil. Biliet stoit 15 baksov.

A tak ia ujie zdies' potshti tshas tusuius'.

The ticket costs 15 bucks. I've been here for almost an hour.

V printsipie, mojno postshitat', tshto etot muziev prinosit 15 baksov v tshas.

You can calculate that this museum brings about 15 bucks per hour.

[24:14,8]

Slieduiushtshiie populiarnoie razvlietshieniie miestnykh shieykhov - send-iakhting.

Eto takoy osobyy vid parusnogo sporta.

The following popular entertainment of local sheikhs is sand yachting. This is such a special kind of sailing.

Ot svoiego starshiego brata -- iakhtinga, piestshan'nyy otlitshaietsia tol'ko troykoy kolies

Sand yachting differs from common yachting only with three wheels and the fact that

i tiem, tshto za bortom u tiebia nie voda, a piesok.

Pri etom, sut' ta jie - poymat' poputnyy vietier.

there is sand but not water overboard. At the same time, the essence is the same - to catch a fair wind.

No shieykhi mogut zanimat'sia iakhtingom dajie pri polnom shtilie. I vot potshiemu:
But sheikhs can do yachting even with complete calm. And there is a reason.

Kogda vietra niet, to riebiatam prikhoditsia bieгать riadom.

Nu a tshto dielat'? Dien'gi-to zaplatila - razvliekat'sia nado.

When there is no wind, the guys have to run alongside. So, I paid the money and I need to have fun.

Ia, konietshno, rasstroiena, tshto vietra niet i vsie takoe.

No, mnie kajietsia, etot parien' rasstroien bol'shie. Kak-to nielovko.

Of course, I'm upset that there is no wind, but it seems to me that this guy is more upset. It's embarrassingly.

[25:19,6]

Mojno ieshtshie katat'sia i katat'sia, no, iesli tshiestno, mnie tak jalko etogo parnia, tshto ia, naviernoie, ostanovliu eti mutshieniia.

I can still ride, but, to be honest, I feel so sorry for this guy that I will probably stop this torment.

[25:40,6]

V gorodie millionierov Abu-Dabi khostielov niet.

There are no hostels in the city of millionaires. But there are cheap hotels for low-budget sheikhs.

No, dlia biudjetnykh shieykhov iest' nedorogiie otieli. V odnom iz takikh ia siegodnia i zanotshuiu.

I'll spend the night in one of them.

Kartotshka. Posmotritie, kliutshik eliektritshieskiy. Obыtshno po-biednomu kliutshik miekhanitshieskiy, a zdies' - eliektritshieskiy.

The card, the electric key. Usually, the key is mechanical for poor. Do you know what this means?

A znaietie tshto eto znatshit? Eto znatshit tam doljien быт' как minimum konditsionier.

This means that there must be at least air conditioning. Abu Dhabi is a luxury.

Abu-Dabi - roskosh'. Vot i posmotrim, kak vygliadit v dorogushtshiem Abu-Dabi samyy dieshievy nomier.

So let's see what the cheapest room looks like in the expensive Abu Dhabi.

Obыtshno, kogda ia zasieliaiush' v biudjetnyy otiel', ia dielaiu eto otshien' tikho, tshtoby nie razbudit' tiekh, kto spit so mnoy v komnatie.

Usually, when I stay in a cheap hotel, I'm very quiet in order not to disturb those who sleep with me in the room,

[26:21,9]

No siegodnia v komnatie so mnoy nikto nie spit!

but today nobody in the room with me.

Slushaytie, nu eto idieal'nyy variant - vsiego 50 baksov i tshto ia imieiu?

This is an ideal option, just for 50 bucks. What I have? I have a double bed, air conditioning, and a bidet.

Ia imieiu dvuspal'nyiu krovat', konditsionier, tam bidie iest', plazma, koFiemashina, ol inkliuziv.

Okiey, zdies' ia pribral.

Plazma koFiemashina - 50 baksov.

Shik. Roskosh'. Bliesk. Emiraty.

Plasma, coffee machine. All inclusive. Ok, I lied. Plasma, coffee machine. 50 bucks. Chic, luxury, glitter, Emirates.

V arabskikh emiratakh iest' tri osnovnykh razvlietshieniia bogatshiey: eto gonki, sokolinaia okhota i skatshki.

There are three types of entertainment for the rich people in the United Arab Emirates. These are races, falconry and horse racing.

Poniatnoie dielo, tshto vsie eti razvlietshieniia otshien' dorogiie, no i shieykhi tut nie biedstvuiut.

It is clear that all these entertainments are very expensive, but this is not a problem for sheikhs.

[27:15,7]

Tol'ko predstav'tie, stoimost' odnogo porodistogo arabskogo skakuna mojiet dostigat' 20 tysiatsh dollarov!

Just imagine, the cost of one purebred Arabian horse can reach 20,000 \$.

Dobav'tie siuda ieshtshie primierno stol'ko jie za sodierjaniie - polutshaietsia podo mnoy sieytshas nieplokhoy vniedorojnik!

Add here about the same for the care, and I have a good SUV now.

Iasnoie dielo, v gorod na takom nie vyidiesh', no kak jie kruto na niem gartsievat' vdol' pobierieyia!

It's clear that you can't go to a city like that, but how great it is to go along the coast.

Eto vsie, konietshno, krasivo: plat'ie, morie.

This is great - the dress, the sea, but it seems to me that I will not get up tomorrow.

No, mnie kajietsia, ia zavtra nie vstanu. Mnie khotshietsia idti prosto vot tak sieytshas. Kak vsie bolit.

I want to go just like that now, it hurts.

[28:07,7]

S nastuplieniiem notshi skazotshnyy Abu-Dabi i vovsie prievrashtshaietsia v kosmitshieskuu stantsiiu!

At nightfall, the fabulous Abu Dhabi is completely transformed into a space station.

Kogda na Marsie poiaviatsia piervyye goroda, bud'tie uvierieny, vygliadiet' oni budut imienno tak!

Tol'ko posmotritie: notsh'...zviezdy...i milliardy ogniey!

When the first cities appear on Mars, they will look like this. Just look: night, stars and billions of lights.

Siiaut mosty, biezrazmiernyye nieboskriby i vielitshiestviennyye mietshieti.

Bridges, dimensionless skyscrapers and magnificent mosques are shining.

Kakaia jie vsio-taki krasota. Vy znaietie, my s "Oriol i Rieshkoy" ujie ob'yezдили stol'ko gorodov i

How beautifully! You know, Heads & Tails have already visited so many cities

dovol'no tshasto proiskhodit takoy momient ozarieniia, kogda ty vidish' tshto-to nievieroiatno krasivoie,

and quite often there is such a moment of insight, when you see something incredibly beautiful

tiebia priam nakryvaiet s golovy do nog, no tshashtshie vsiego eto eto vsie prodielki prirody.

and you are shocked. But most often, it's nature.

[28:57,7]

I, na samom dielie, riedko nastol'ko ty mozhiesh vpietshatlit'sia tshiem-to, tshto sdielano rukami tshielovieka.

And in fact, rarely you can be impressed so much by something that is done by human hands.

Poslie takikh-to vpietshatlieny, mnie doljny prisnit'sia po-nastoiashthiemu krasivye sny.

Dobroy notshi mnie. Nu i tshut'-tshut' Alinie.

After such impressions, I should see really beautiful dreams. Good night to me. Well, a little bit to Alina.

Mnie vsiegda tak jalko razbirat' etu krasotu.

I always feel so sorry for disassembling this beauty. People tried making this. How do they even twist it?

Oni staralis', dielali. Kak oni voobshtshie eto krutiat? Kto-nibud' doma pytalsia povtorit'?

Spokoynoy notshi!

Has anyone tried to repeat at home? Good night!

[30:18,9]

Dobro pojalovat' musul'manskuiu stranu v 5 utra!

Minut na 15 budut piesni.

Nitshiego, podojdu.

Welcome to a Muslim country. It's 5 a.m., and there will be these songs for about 15 minutes. I'll wait.

Slushay, nu okiey vot natshali piet', ia prosnulsia, a ty kak dolgo zdies' stoish'?

Well. They started singing, I woke up. How long have you been here?

[30:55,9]

Dobroie utro! Dobroie!

Good morning! Really good!

Kromie sokolov i skakunov, iest' ieshtshio odno jivotnoie,

In addition to falcons and horses, there is another animal that the Abudabians consider kotoie jitieli Abu-Dabi stshitaiut simvolom roskoshi i dostatka.

Konietshno jie, rietsh' o vierbliudie.

to be a symbol of luxury and wealth. Of course, we are talking about a camel.

Tak tshto s samogo utra, ia otpravilsia na vierbliujiy rynek, tshtoby samomu posmotriet' i vam pokazat'.

So I went to the camel market to see and show you.

Cushtshiestvuiet drevniaia arabskaia poslovitsa - vse milost'iu Allakha i blagodaria vierbliudam.

There is an ancient Arabic proverb - all by the grace of Allah and thanks to camels.

Konietshno, eta poslovitsa poiavilas' zadolgo do togo, kak u riebiat poiavilas' nieft'. No ot etogo tsiennost' vierbliudov nie umien'shilas'.

Of course, this proverb appeared long before the guys got the oil, but the value of the camels didn't diminish.

Of course, this proverb appeared long before the guys got the oil, but the value of the camels didn't diminish.

[31:40,3]

Siegodnia iezdit' na vierbliudakh ili taskat' na nikh tiajesti - niet nikakogo smysla.

Utshityvaia, tshto u shieykhov iest' tsielnye avtoparki.

Today, riding camels or dragging cargo on them has no sense. The sheikhs have entire fleets.

Tak zatshiem jie dvugorbykh do sikh por prodaiut i potshiemu pokupaiut?

Vsie prosto: iest' tri tipa vierbliudov.

But camels are still sold and bought. It's simple, there are three types of camels.

Piervyy - vierbliudy-sportsmieni dlia biegov.

Stoimost' vierbliudov mojet dostigat' 750 000 dollarov.

The first is sport camel for racing. The cost of camels can reach 750,000 dollars.

No zdies' takiie vierbliudy nie predstavlieny.

Eto stoimost' sportivnykh vierbliudov, kotoryie utshastvuiut v skatshkakh.

But these are not represented here.

Vtoroy - vid molotshnyie vierbliudy.

Vierbliuzye moloko ispol'zuiut dlia izgotovleniia bliud i diesiertov.

The second type - dairy camels. Camel milk is used to make dishes and desserts.

Dajie v samuiu ekstremal'nuiu jaru vierbliudikha vyrabatyvaet do 25 litrov moloka v dien'.
Even in the most extreme heat, a camel produces up to 25 L of milk per day.

[32:32,9]

I nakoniets, vid trietiy -- kormovyye.

Vierbliujatinu do sikh por otshien' aktivno iediat v Emiratakh.

Khoroshiy vierbliud - na vies zolota.

And finally, the third type - food. The camel is still eaten in the Emirates. A good camel is worth its weight in gold.

Poetomu za jivotnoie zdies' mogut trgovat'sia tshasami naproliet!

So, they can bargain for hours for an animal.

[32:56,9]

1,500 and he doesn't want.

Patsany vsiey dierievnie skinulisy 1500 nabrali, on mnie otдайot. 2000 stoit vierbliud. Rynek.

The boys of the whole village invested 1,500, but he want 2,000. This is the market.

S samogo utra ia otpravilas' poblizie poznakomit'sia s zapovednikom, na tierritorii kotorogo nakhoditsia moy otiel'.

I zakazala dlia etogo privatnyy saFari-tur.

In the morning I went to get acquainted with the reserve, where my hotel is located. I ordered a private safari tour.

Itak, ia iedu na okhotu za vpietshatleniiami.

Mnie kajietsia, zdies' oni otshien' iarkiie budut.

So, I'm going to hunt for impressions and it seems to me that they will be very bright here.

Etot zapovednik - odin iz samykh krutykh i ogromnykh prirodnykh parkov vo vsiekh arabskikh emiratakh.

This reserve is one of the best and largest natural parks of the United Arab Emirates.

Siuda zaviezli okolo...sta vidov jivotnykh!

Near a hundred species of animals were brought here.

[34:00,4]

Pavliny...

Peacocks

Eto kakoy-to pavliniy rayon.

This is some kind of peacock area.

Gazieli..

Von Biembi malien'kiy takoy smotri.

Fallow deers. Bambi, little one, look.

Strausy..

Ты тут sriedi ptits samyy krutoy?

Ostriches. Are you a tough guy?

I sotni drugikh!

And hundreds of others.

[34:39,7]

No glavnoie sokrovishtshie zapoviednika - aFrikanskiy jiraF!

But the main treasure of the reserve is an African giraffe.

Mmm. JiraF! Tam jiraF!

A giraffe, there is a giraffe. Hi!

Priviet!

Bo'lyshoy jiraF.

A big giraffe.

[35:09,4]

Oy kozы, kuda вы, kosuli?

Oni tiebie mieshali kushat'ь? Bojie, kakoy on smieshnoy !

Priiatnogo appietita!

Goats, where are you going? Roe deers. They prevented you from eating. How funny it is. Enjoy your meal.

Ia piervyy raz v jizni tak blizko viju jiraFa, sieytshas sierdtsie tykh-tydykh.

This is the first time I've ever seen a giraffe so closely. My heart is now so...

Niet-niet, ia nie budu mieshat'ь tiebie iest'ь, nie ukhodi, pojaluysta!

No, no, no, I will not disturb you, don't go, please.

[35:55,6]

Dajie nie znaiu. Mojiet byt'ь iemu rozovyy nie nraivitsia. Kto poymiet etikh jiraFov?

I don't even know, maybe it doesn't like pink. Nobody understand these giraffes.

Slushay, ia tak golodien - slona by s'iel. No tak kak slonov zdies'ь niet, ia budu iest'ь vierbliuda.

I would eat an elephant, but since there are no elephants, I will eat a camel.

[36:32,8]

To, tshto Abu-Dabi gorod millionierov vidno dajie v samoy dieshievoy zabiegalovkie.

The fact that Abu Dhabi is a city of millionaires can be seen even in the cheapest eatery.

Mieniu vam podadut na planshietie.

Even here, the menu is served on a tablet.

Dlia miestnykh jitieliey vierbliud iavliaietsia osobym jivotnym.

For locals, a camel is a special animal. In nomadic times, a camel was a friend,

Vot v kotshievyie vriemiena dlia bieduina vierbliud byl i drugom, i rabotnikom, i stolovoy.

Ukhtы.

a worker, and a canteen for a Bedouin. Wow! Thank you very much!

Intieriesno, iesli sprosity otkuda ona priniesla etot burgier, skajiet ona "otkuda otkuda ot vierbliuda"?

Niet. Nie skajiet.

It's interesting to ask, but where did she take this burger? Will she say "from a camel"? No, she won't.

Itak, tshto vkhodit v sostav etogo burgiera?

Bulka, list, pomidory, luk, iaytso jariennoie,

So, the content of this burger. Bread, a leaf, tomato, onion, fried egg.

[37:21,0]

luk jarieny, сыр plavlieny, kotlieta iz vierbliuda i nijniaia bulka.

Nijniaia bulka khlieba, nie vierbliuda.

Then bacon, fried onion, melted cheese, camel cutlet and the lower loaf. A loaf of bread, not a camel.

Na samom dielie, takoe kolitshiestvo raznykh ingriedientov, tshto miaso vierbliuda praktitshieski nie tshuvstvuietsia.

In fact, there are so many different ingredients that camel meat is almost not felt.

Tshuvstvuietsia oguriets i on daiet otshien' iarkiy vkus.

Pieriejarienny luk tshuvstvuietsia tak, tshto oooo!

The cucumber is felt, it gives a very bright taste. I feel bacon, overcooked onions.

A sama vierbliuj'ia tshast'.. ieshtshio nashiol.

I haven't taste the camel part yet. Well, now.

Miaso vierbliuda otshien' pokhojie na baraninu, no to'ko..

vot vkus baraniny on nieskol'ko glubjie. Vot u mienia vot takaia vot assotsiatsiia.

Camel meat is very similar to lamb, but the lamb taste is somewhat deeper. I have such an association.

[38:23,0]

Slushaytie, nu vkusno, doiel, potomu tshto ia vnatshalie dumal, tshto etot burgier nie osiedlaiu.

Well, it's delicious. Because at first I thought that I wouldn't ride this burger.

[38:38,6]

Ia tojie rieshila pieriekusit'. I zakazala siebie spietsial'nuuu uslugu - obied na prirodiie.

I decided to have a snack too. And I ordered a special service - lunch in nature.

Obyitshnyy takoy dieniek.

Pavliny szadi gulaiut - nitshiego osobiennogo.

An ordinary day, peacocks are walking behind, nothing special.

Tshto-nibud' iz dielikatiesov pieriekushu po-bystrien'komu.

I opiat' vsia v trudy, v trudy.

I will eat some of the delicacies and start working again.

A poka bliuda gotoviatsia - turista razvliekaiut populiarnoy miestnoy zabavoy.

Kormlieniiem ptits.

While the dishes are cooked, the tourists enjoy the popular local fun - feeding birds.

[39:17,1]

Oy kak oni liubiat khlieb. Tikho-tikho, ia vsiem dam, nie kritshitie.

Ok. Oh, how they love bread. I will give for all. Don't cry! Well, what is rich?

Nu i tshto jie tut bogatogo, skajietie вы? Обытshный palisadnik, ptitshki-sinitshki i tarielka s iedoy.

No, dlia miestnykh shieykhov, takoy obied -- roskoshь.

An ordinary garden, birds and a plate of food. But it's a luxury for local sheikhs.

Viedь vokrug na sotni kilometrov - biezjizniennaia pustыnia, a zdiesь oasis, prokhlada i pienie ptits.

There is a lifeless desert for hundreds of kilometers, and here there is an oasis, coolness and singing of birds.

Tak, ptitsы-ptitsami, no ia, miejdu protshim, tojie progolodalasь.

Khorosho, tshto ieda kak raz podospiela k stolu.

But I'm hungry too. Well, that food just arrived at the table.

Kukuruzka - eto khorosho.

Corn is good. And what is this?

Spasibo.

Thank.

[40:10,9]

Eto kak minimum jiestoko. Mojiet быть eto rodstviennik ieie? Diadia?

It's cruel. Could this be her relative, an uncle?

[40:25,8]

Boiusь predstavitь, tshto gazieli dumaiut o liudiakh. Ladno львы - u nikh tam svoi razborotshki.

I'm afraid to imagine what gazelles think about people. Okay, lions, they have their problems.

[40:40,9]

Otviernisь.

Niet, ia nie mogu, piertshik sieytshas съiedim.

Turn around. No, I can't. I'll eat the pepper.

[41:02,9]

Eto miaso - eto nie khlieb. Eto vashiey podrugi gazieli kto-to.

This is meat, not bread. This is your friend's relative.

[41:24,5]

Было otshienь vkusno i v moiem slutshaie - gumanno.

It was very tasty and humane in my case.

[41:39,9]

This is a realm of luxury ...

[42:58,3]

This is not a problem for sheikhs.

Loska..

Gloss ...

- Shik, roskosh', Emiraty.

Chic, luxury, glitter, Emirates.

Pompieznosti..

And pompous...

Eto samaia dorogaia Franshiza, kotoruiu ia vidiel.

This is the most expensive franchise I have ever seen.

V kotorom, stoit otmietit', nie razutshilis' tsienit' prostыie vieshtshi.

Where people have not forgotten how to appreciate simple things.

[43:16,3]

- JiraF, tam jiraF!

A giraffe, there is a giraffe.

Look what's up.

You're an expensive chick.

The boys of the whole village invested.

From a camel.

Snow White wakes up in me.

Na samom dielie, riedko nastol'ko ty mojiessh' vpietshatlit'sia tshiem-to, tshto sdielano rukami tshielovieka.

And in fact, rarely you can be impressed so much by something that is done by human hands.

[44:01,8]

Konietshno, ia mogu otsiuda uiekhats' - prikhoditsia ulietats'.

Zdiesh' biesplatno khodish' prosto i naslajdaiesh'sia tiem, tshto imieiut bogatyie liudi.

I walked around like an ordinary smart guy. Here you just go and enjoy what rich people have.

- A tshto, tak mojno bylo?
